

## HINDI RECITATION III-V BOYS SECTION

Poems have always been a provider of great inspiration as well as provided a way to depict our feeling. Words can be presented more beautifully when recited as a poem.

**Keeping the above aspects in mind a Hindi Recitation Competition was organized in III-V Block Boys Section on 10<sup>th</sup> and 11<sup>th</sup> October 2016, to develop confidence, improve vocabulary and also help the students to get rid of stage fear.**

**After the preliminary round, three students from each section were selected for the final round. Students chose a variety of poems and presented effortlessly, exhibiting their knowledge and communication skills in our national language.**

**It was a very enriching and enjoyable experience for both participants and judges and teachers.**
